Re: Case Number 05-1740-E-CS-CN
Liberty Gap Wind Force, LLC

Dear Ms. Squire:

Turbine sound is receiving more and more attention as information is becoming available from worldwide sources. Please enter the enclosed CD "The Sound of High Winds: The Effect of Atmospheric Stability on Wind Turbine Sound and Microphone Noise" by Godefridus Petrus van der Berg into the public record in the above referenced case. I respectfully request that the Public Service Commission of West Virginia Commissioners and Commission Staff give full consideration to its information in their review of this application.

Thank you for your attention to this matter.

Respectfully submitted,

Larry V. Thomas
