Petition to Deny

WEST VIRGINIA PUBLIC SERVICE
COMMISSION
SECRETARY'S OFFICE

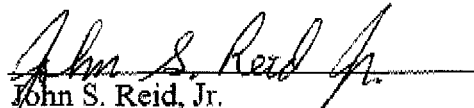

Dear Ms. Squire:

As resident landowners, we are strongly opposed to wind turbines in Pendleton County. Excellent research and documentation was presented to support why Pendleton County would not be an appropriate location. Due to the behavior and intentions displayed during the application process by Liberty Gap Wind Force, we believe the petition for reconsideration must be denied.

Thank you for your representation in this matter.

Sincerely,

Shirley A. Reid
