Re: Liberty Gap Wind Force, LLC, Case No. 05-1740-E-CS

Dear Mr. And Mrs. Thomas:

Enclosed are the Heritage Travels, Pendleton County CDs that you provided to me during my visit to Pendleton County. I only opened the first CD you thought I should listen to on the way back to Charleston because I am able to listen to the same CDs which are on file with the Commission. Thus, I wanted to leave the remaining three CDs wrapped so that you may share them with others. I have enjoyed listening to the Heritage Travels, Pendleton County CDs and appreciate you making sure I had copies available to listen to.

Sincerely,

A handwritten signature in cursive script that reads "Leslie J. Anderson".
