Re: Liberty Gap Wind Force, LLC
CASE NO. 05-1740-E-CS-CN

Dear Ms. Squire:

In reviewing the Reply Brief filed in the above-styled matter on behalf of the West Virginia State Building Trades Council, AFL-CIO on May 29, 2007, I found that that it contains a typographical error that must be corrected.

On page 6, a portion of the sentence discussing the Staff's Proposed Conclusion of Law 18, says "impact on listed bats" when it should say "impact on non-listed bats." It should be corrected to read as follows:

"... the Staff concludes, with regard to the project's impact on bats, that there is a likely negative impact on non-listed bats (Proposed Conclusion of Law 18) . . ."

A copy of this letter is being sent to all parties in order that they may note the correction.

We apologize for any inconvenience this may have caused. If you have any questions, please feel free to contact me at our Morgantown office at (304) 291-5223.

Thank you.

Sincerely,

Vincent Trivelli
