CASE No. 05-1740

Ms. Sandra Squire, Executive Secretary  
WV Public Service Commission  
201 Brooks Street  
PO Box 812  
Charleston, WV 25323

Dear Ms. Squire:

In general, I am **OPPOSED** to the entire Liberty Gap Wind Generating Facility planned for Pendleton County south of Franklin on Jack Mountain, PSC Case No. 05-1740.

Specifically, I am **CONCERNED** about:

*The height of these windmills and the length of the blades will certainly create problems in many ways. Pendleton County offers some very scenic views from these mountain tops. Why should anyone allow these windmills to destroy the scenery & disrupt the peace & quiet that we have enjoyed for years? Do the people benefit from this project in any way? Absolutely not!*  
Thanks for any assistance you may provide in this matter.

Sincerely,
