SECRETARY'S OFFICE

Dear Ms. Squire:

In general, I am **OPPOSED** to the entire Liberty Gap Wind Generating Facility planned for Pendleton County south of Franklin on Jack Mountain, PSC Case No. 05-1740.

Specifically, I am **OPPOSED** to:

The fact that this operation may cause us to lose our water supply that we have spent thousands of \$ to have for our families + cattle. As for Uncle Jr Harpers statement; I am part of that large family. He only has 2 children and most of the people he is referring to have lived in the county for years. He is just looking for the "big money" he thinks he is going to make!

Thanks for any assistance you may provide in this matter.

Sincerely,
