Public Service Commission Box 812

Ms. Squire,

Jan 13, 06

I'm writing in regards to case #
05.1740 (LLC)

I'm a concerned citizen living in
Pendleton County. I have attended
meetings but no wind tower people
showed up.

The wind towers will not benefit
us in any way. We do not want
them here! And they call this
the progress of man!

Sincerely,

Laura Brady
